Product Comments WARNING: READ BEFORE USING THIS PRODUCT Arc flash clothing is intended to provide protection from thermal effects of arc flash and this product must be used as part of an appropriate set of PPC and PPE to protect against the hazards of arc flash. This product complies with standards that are intended to protect against arc flash in most situations that arise in normal use. There may be exceptional cases in which even the best protection is not enough to prevent the harm caused by arc flash or the related effects and, although the product meets statutory and industry specifications, the use of this product does not guarantee that the product will provide complete protection in those exceptional cases. If you are in doubt or do not fully understand these limitations, contact the manufacturer for full information. The product may be returned to the supplier if you are not willing to accept a product that is subject to the limitations set out above.
